

CAMPSITE APPLICATION

This document outlines the general guidelines for camping on your recreational license. Please review all information prior to submitting your application.

The purpose of this document is to establish clear and consistent policies for camping on your recreational license. Big Black River reserves the right to amend these policies at any time.

- ◇ All campsites **MUST** be approved by the property manager.
- ◇ No permanent residence will be permitted at campsites.
- ◇ All camp structures must be contained within the approved campsite area.
- ◇ Campsite grounds must be kept clean and free of litter at all times. Garbage must not be burned or buried. All garbage must be removed from the Property and disposed of properly. Junk or unserviceable equipment of any kind, including scrap lumber or metal, must be removed from property. Any structures not in use must be removed.
- ◇ No chemicals of any kind will be stored at the campsite. No petroleum products, except propane, may be stored at the campsite in containers larger than 5 gallons. Petroleum containers must be OSHA approved (spill proof).
- ◇ In the event your recreational license is canceled, all buildings, structures, equipment or other personal property must be removed from the property within 60 days.
